

**June 2004
Early Action Compact Progress Report**

County Name: York

| | |
|---|----------------------------|
| Was the Local Early Action Plan for the county submitted to DHEC by March 31, 2004? | Yes |
| In April 2004, what did EPA designate the county for the 8-hour ozone standard? | Attainment, partial county |

1. In an effort to keep our contact information updated; please provide the following information for your county:

| | Name | Telephone | E-mail Address |
|-----------------------|---------------|--------------|--------------------------------|
| Administrator/Manager | Alfred Greene | 803-684-8511 | al.greene@yorkcountygov.com |
| EAC contact | Bjorn Hansen | 803-909-7224 | bjorn.hansen@yorkcountygov.com |

2. Describe any progress (if applicable) since your March 2004 submittal? (stakeholder meetings, events held; special projects; etc.)

York County has worked with their local metropolitan planning organization (RFATS) to ensure the eastern, urban portion of the county will produce a conforming long range transportation plan in accordance with all appropriate EPA regulations. York County has begun design work for the intersection projects identified in the 2003 Capital Projects Sales Tax program (Pennies for Progress). York County continues to work on ordinance updates to require better road networks within proposed residential and commercial developments.

3. Do you have any requests for specific assistance from DHEC and/or the EPA (outreach services, grants, etc.)?

York County is interested in diesel engine retrofit programs.

4. Name of Person Completing Progress Report: Bjorn Hansen

Date: May 25, 2004
